

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six (6) months after the issuance of the permit; or if the authorized work is suspended or abandoned for a period of six (6) months after the time of commencing the work. A permit will become invalid if no inspections are requested and conducted within six (6) months of the date of issuance; or if no inspections are requested or conducted within six (6) months of a previous inspection.

**Section 23A** of the **State Construction Code Act of 1972. MCL125.523A**, prohibits a person from conspiring to circumvent the state licensing requirement of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23A are subjected to civil fines.

HOMEOWNER AFFIDAVIT: I certify that the work described on this permit shall be **installed by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the state code and **shall not be enclosed or covered up or put into operation** until it has been inspected and approved by the appropriate inspector. I assume the responsibility to arrange for all necessary inspections.
